

Herb Williams

HERB WILLIAMS has been making his living performing professionally since 1987. His brand of T-40 dance music is a mix of very current high-energy music along with classic party songs and some old school funk. His smooth yet powerful vocals and undeniable charisma make him the king of audience participation and one of the premier frontmen in the business. Herb Williams's 5-piece band consists of a keyboard/bass player; drummer; guitar player; sax player/keyboardist and Herb Williams as frontman as well as bass player and keyboardist.

Accomplishments

2008-Current

Herb balances his time between performing corporate parties, night clubs, weddings, Walt Disney World Resort, Universal Studios and producing music in his recording studio.
